

CERTIFICATE «CE» OF PRODUCT CONFORMITY

« N AISICO/026/CPD/2010 »

AISICO in its capacity of Notified Body «CE» n. 2131 in compliance with the relative provisions of Directive 89/106/EEC of 12/21/1988 relating to Construction Products (CPD) enacted by Presidential D.P.R. n. 246 of 04/22/1993

CERTIFIES

that the product specified below

VEHICLE RESTRAINT SYSTEM

Description: Wood and Steel Safety Barrier for side edge – Containment Level N2
Identification code: MOD. DUCOS (see attachment 1)

placed on the market by:

SCT Safety Care Traffic Srl

produced by:

SCT Safety Care Traffic Srl

In its premises at: **Cazzago S. Martino (BS), Via Agostino Novella n° 13**

is submitted by the manufacturer to a factory production control (FPC) and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body AISICO has performed the initial type-testing for the relevant characteristics of the product (ITT), the initial inspection of the factory and of the factory production control (FPC) and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard were applied and that the product fulfils all the prescribed requirements.

EN 1317-5:2007+A1(July 2008)

This certificate permits to the producer or its authorised representative established in the European Union to place on the product the «CE» conformity marking indicated by the logo

followed by the Notified Body's identification number 2131

The «CE» conformity marking shall be accompanied by the additional information required by the relative european harmonized standard cited above and paragraph 4.1 of Annex III of Directive 89/106/EEC (CPD).

This certificate, first issued 09/02/2010, remains valid for as long as there are no significant changes in the conditions laid down in the harmonized technical specifications or the manufacturing conditions in the factory or the factory production control.
Any damage caused by the product defects is the responsibility of the Producer, as provided by Directive n. 374 / 1985.

Issued in Rome on 09/02/2010
